

Tabulation report

Review of the appended documents

→ This procedure is intended for bidders who have submitted a tender in a specific specialty for a particular project. It allows them to **review the PDF documents** attached to their competitors' tenders. ←

From the "Bidder" module in TES:

- 1 Click on the **"Tabulation Report"** function in the left-hand menu
- 2 Set one or more of the available criteria. Click the **"OK "** button
- 3 Click **directly** on the **project number** shown in **blue**
- 4 Click on the **"X"** corresponding to the desired attached documents. The **"P"** columns refer to plans, **"S"** to specifications, **"A"** to addenda, and **"Appended Doc"** to the annexed documents.
